'Round the Riviera

By MARY WEBB
 Frontier 5-3051

Jack and Jill's father has been away this past week. He made a trip to Phoenix, Arizona on special Navy recruiting duty. One would have thought he had gone to the ends of the earth, the little ones really missed him. Especially in the evenings after dinner when time for bed and the saying of their prayers. But now he is back home and all is returning to its normal serenity.

On Monday, the fourteenth, registration for kindergarten for September, 1952, started at the Seaside School. This includes all children who will start kindergarten at the new Riviera school next fall. When registering please be prepared to: (1) verify child's birth date with birth certificate; (2) complete enrollment form giving information of child's health record, diseases, vaccination, etc.; (3) obtain physical examination appointment for May 13, May 26, or 27.

Calle de Andalucia, where the Hughes Wives Bridge Club at their regular monthly meeting this month. Guests were Mrs. Gerry Dunn, Mrs. Arthur Blight, Mrs. John Whinnery, Mrs. James Johnson, Mrs. Bob Rockwell, Mrs. Clare Carlson, and Mrs. Al Stephenson. First prize was carried off by Mrs. Lundstrom while Mrs. John Whinnery received the booby prize. After a very enjoyable time of playing bridge, refreshments were served, and they adjourned until their next meeting.

UP HILL AND DOWN DALE
 If anyone in H. R. can be pointed out as having his mind too much on free time it's Pat Patronsky, 740 Calle de Arboles. But don't get the idea he is lazy; just the opposite. At this writing he has been appointed chairman of three different recreation committees. They are the newly formed Riviera PTA recreation committee, Torrance Recreation committee and for the Riviera Homeowners Association committee. . . . If anyone else has a recreation committee they don't know what to do with, you might call Pat; you'll be getting an expert.

We have new neighbors across the street and they are Pauline and Charles Rust of 200 Calle de Andalucia. . . . since they have moved in the house has been completely repainted inside and out. . . . quite an improvement. Other new neighbors and just as energetic are the Cullens, Arline and Buzz, of 736 Calle de Arboles. . . . they too have been painting and papering like mad these past weeks. . . . it must be they have the spring fever.

Over at 282 Paseo de Granada we find another newly painted home belonging to Marjorie and Ed Stewart. . . . they chose a bright yellow with the trim in brown tone. . . . Ed painted the house by himself and Marjorie reports she just gave him moral support. A little farther down at 104 Paseo de Granada we find Ruth Smith's husband John busy wirebrushing his porch and fence. . . . it's a tough job and really consumes the time. . . . John said it takes a good two hours to wirebrush five panels completely.

Jean and Dean Groendyke of 322 Camino del Campo have a lovely new home recently completed. . . . the three-bedroom house was built by Dean with very little outside help. . . . he laid his own concrete forms and he hung his own window sashes, doors and did most of the wiring. . . . presently he is building a 20-inch planting wall around the front of his home within which to grow tropical plants and other flowers needing shade. Eileen and George Behrend of 321 Via Pasqual are changing the looks of their home. . . . they have new picture frames around the two front windows with the redwood sliding along the upper part of the front of the house, while the lower part is in stucco. . . . a new front door of glass panes is planned as the final touch.

A very enjoyable evening of dining and dancing was spent by Major and Mrs. Robert Reynolds, U. S. Air Force, 242 Paseo de Granada, this month. They attended a formal reception at the Long Beach Officers' Club in honor of the new Command-

ing Officer and his wife, Col. and Mrs. Wilson. The party also served as a farewell to Col. and Mrs. Wassner, former Commanding Officer and his wife.

If it had been a birthday there would have been 33 candles on the cake. But it was better than that; it was a 33rd wedding anniversary and Laura and Ben Munsey of 245 Paseo de Granada celebrated it in grand style. They dressed up in their best bib and tucker and sallied forth to Pancho's for cocktails and dinner. It was just a twosome at a cozy table and with the candles and fine food it was a perfect kind of an evening. . . . just right for a 33rd wedding anniversary.

Twenty-one Board members and committee chairmen of the new Riviera School PTA met last week at the home of Mr. and Mrs. Thorsten Burman, 315 Calle de Andalucia, to adopt standing rules and discuss the basic problems of all newly formed associations. It was quite a living-roomful when they finally all sat down together, but they got a lot of work done. After the standing rules were discussed and adopted, the committee got down to the number one problem of all organization. Mrs. Otto B. Willett, chairman of ways and means, made and heard several proposals to raise money; all were as painless as possible. The Board was concerned primarily with a meeting place since the new school has no auditorium in which to seat crowds such as attend the PTA meetings. They will attempt to secure adequate space at the El Retiro Park clubhouse for regular association meetings.

H. R. teenagers handed together for a trip to the famous Knotts Berry Farm in Buena Park this month where they dined in style at the Chicken house. Afterwards they looked over the many novel displays the farm has to offer. The roster of winners who made and the trip included Edgar Forcier, Janie Fisher, David Forcier, Jim Crahn, Ann Flanagan, Fenny Baker, Nancy Ruth Miller and Brenda Ridgell.

 What do you consider good service in a food store? Do you get it at your A&P?
 Of course, we expect all our employees to be friendly and courteous. But we think good service goes beyond that. We train our employees to be prompt, efficient, helpful and accurate as well.
 Good service also requires that the store itself be clean, well stocked and well operated.
 Any time your A&P doesn't measure up to these yardsticks of good service, our loyal employees want to know about it.
